National League Changes

"Plus" Levels no longer offered

- There will no longer be "plus" levels, such as 5.0+ in the USTA Adult 18 & Over league or 4.5+ in the USTA Adult 40 & Over league.

New Level offered for USTA Adult 18 & Over and USTA Adult 40 & Over

- To replace "plus" levels, an "Open" level has been added to the USTA Adult 18 & Over league and a 5.0 level has been added to the USTA Adult 40 & Over league. These new levels will not have National Advancement for 2021. Sectional advancement may occur depending on the number of teams from other Districts within the Intermountain Section.

2020 Year-End Ratings

- A decision was made by the USTA Board not to run year-end ratings for 2020. Match results from 2020 will be added into the 2021 year-end calculation.
